AT CSPS WE VALUE COMMUNITY MEMBERS WHO STRIVE TO BE LEARNERS AND LEADERS

WEDNESDAY 1 MAY 2024

PRINCIPAL'S NEWS

What a whirlwind week it's been at CSPS for both students and staff! Our leadership team kicked off last week by attending a Principal Conference. It was an invaluable experience, featuring insights from global education and sports leaders. Moreover, we had the privilege of collaborating closely with neighboring schools. This spirit of collaboration allows us to learn from one another and unite to bring exciting opportunities to our school communities, such as last night's parent cyber safety session.

Staff then participated in an exciting Curriculum Day where Maths was our focus. We work hard to ensure we are promoting Maths as a fun and engaging subject area, and if the competitive nature of our staff during some of the Maths tasks is anything to go by, I am confident our students are engaging in stimulating Maths tasks in the classroom each and every day.

Today, the sun shone brightly for our House Cross Country event and I would like to thank Dan Evans for coordinating this event, as well as all parents who generously volunteered. Your involvement not only ensures the success of these events but also adds an extra layer of excitement for our students who absolutely love seeing their parents helping out.

PRINCIPAL'S NEWS

Additionally, we urge all participants to gather sponsorships as every contribution will directly benefit the enhancement of our school.

A heartfelt thank you goes out to our incredible Fundraising/FACE Team, as well as our dedicated office staff Sue, Aileen and Christine, for their diligent organisation of our Walkathon.

Last night's parent cyber safety session with Lynette Coulston saw a wonderful turnout from CSPS families! It was a great opportunity for us all to learn and grow together. Personally, I gained valuable insights, and the feedback pouring in from parents today echoes the sentiment – everyone feels more empowered to ensure their children's safety online, in particular when using iPads and iPhones.
