

## Green Canteen @ CSPS

Hello CSPS Parents and Students,

It is with great pleasure, that we have the opportunity to provide your wonderful school community with a nutritious, diverse and ethical range of wholefood through our daily lunch order service and all new 'take-home' family meal options at Camberwell South Primary School Canteen.

With an ever increasing focus on health and wellness, the opportunity to instil a genuine love of wholesome, nutritious and natural food has never been so important. Hartwell Canteen's menu is designed to be appealing to kids, while also maintaining a strong adherence to our following core values:

- All menu items will be free from artificial colours, flavours and preservatives.
- The use of recycled and environmentally friendly packaging wherever possible and the provision of a recycling bin outside the canteen for student use.
- To limit the amount of pre-packaged foods available by preparing the majority of items in our on-site kitchen by our qualified chefs.
- Extending our vision of a healthy lifestyle by offering nutritious, fresh and tasty take-home meals that can be ordered by parents and collected from the canteen before and after school.

### HOW TO ORDER:

For existing QKR! Customers, you do not need to set-up a new account, but just be sure to select the CSPS logo to access the new menu.

For new QKR! Customers, you will need to set-up an account by following the instructions on the attached QKR! Info sheet.

You can order lunches and 'take-home' meals up to 2 weeks in advance through the QKR! App and we will also still accept lunch orders in a paper bag with correct change. 'Take-home' meals can be collected from the canteen window between 8am and 4pm.

All of our Snacks, Drinks & Frozen can now be bought over the counter at recess and lunch and also before and after school.

Feel free to drop by and say "hi" or email us at [hello@thegreencanteen.com.au](mailto:hello@thegreencanteen.com.au) with any queries or feedback.
