Welcome to Term 2

Based on the happy faces in the classroom and the stories students have told, the school holidays have been filled with exciting adventures for many of you. Our staff have returned refreshed and ready for another busy term of learning and fun also. I'd like to welcome Tayla Nichols to our school community. Tayla has commenced as the classroom teacher in 3B following the resignation of Helen Stephanou at the end of last term. Tayla is well known to many in our school community and we are very excited to have her as a member of our staff.

I will be taking leave for the second week of term (May 1-5), and Annabelle Owens will be the Acting Principal while I'm away, if you have any pressing concerns during this week please contact Annabelle.

Today I met with the Department's Security & Advisory Team as we have been experiencing antisocial behaviours and damage to school property outside of school hours. One of the interesting things they mentioned is that there is currently a TikTok trend/challenge where young people film themselves climbing onto roofs. We are certainly doing everything we can to ensure our school roofs are non-climbable areas. If your children visit our school outside of school hours, please remind them that they are not to climb on our school roof. If you see any behaviours of concern on our school grounds please let us know and report it to the Camberwell Police Station.

Prep 2024

We are now able to accept enrolment applications for Prep 2024. If you have neighbours or friends wanting to find out more about our school, please direct them to our website so that they can book a tour or attend our Prep 2024 Open Morning.

Coffee, Cards and Classrooms Morning

Come and grab a coffee, share a little treat before school together, and head up to your child/children's classrooms so they can present you with a special card and you can see what's been happening in their learning space! We know that for those with more than one child at CSPS, getting around to classrooms is tricky, so parents are welcome in classrooms until 9am this year to reduce the rush.
