POLICY

1. School profile

CSPS is located in the eastern metropolitan suburb of Glen Iris. Established in 1925, the school has achieved its own unique identity in the local and wider community. We are a welcoming and inclusive community for students and their families from an increasing range of backgrounds and cultures. Teachers are committed to delivering a differentiated curriculum through an evidence-based understanding of students.

We strive to provide a challenging and supportive environment that empowers students to reach their personal best, both academically and socially.

The parent community is closely connected, offering support in abundance, continuously adding value to the school. They place great value in quality education which is reflected in the attitudes of students. Our community is passionate about continuing to develop our award winning kitchen garden and caring for our chickens.

The school values these aspects, building them into the daily teaching and learning programs for student engagement and continual development of learning outcomes, all of which are accelerated by technology. Specialised programs offered at CSPS include:

- Science, Technology, Engineering and Maths (STEM)
- Physical Education
- Visual Arts
- Performing Arts
- LOTE French
- Instrumental Music Program (Optional)
- Born to Soar (Optional)

Our school is culturally diverse including families who have a language background other than English (LOTE). The school also has representation from the Koorie community. We are proud of our diversity and inclusive school community. We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

CSPS is a place for curious minds to have fun while they learn.
